

Street SignPro

new

See movie at our website www.mtdisplays.com.tr

Made of durable plastic, Street SignPro is outdoor double sided sign frame with 3 styles. Holds two signs in size of 24" (W) x 36" (H). It is built with a handle for easy transport. And it is foldable for space saving storage.

- Street SignPro Frame with lens has a frame with lens and without lens. This unique feature helps keeping the poster in place sturdily.
- Street SignPro Frame without lens allows using rigid graphic.
- Street SignPro Board is for laminating self adhesive sticker.

Single packed with an easy mounting instruction sheet.

No tool assembly.

Color options:

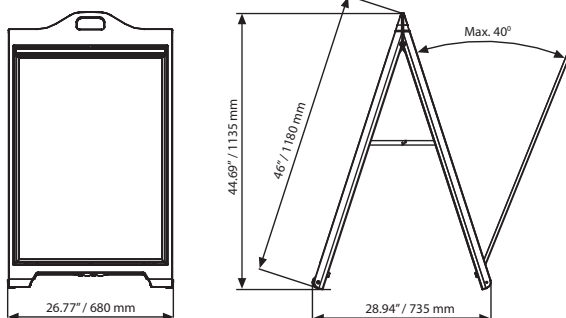

Street SignPro Poster without Lens - White

Street SignPro Board - Black

Street SignPro Poster with Lens - Black

Patent No: PCT/EP2017/052765
